## REPORT

The third session of this year's Leicester Junior League was held at Leicester Grammar School on Saturday 8 February.

The results are summarised above; the divisions for the fourth session will be the same with the current position set out below:

- 1: KP2 kept in touch with KP1 with a hard-fought draw; top player is wide open
- 2: MB A in pole position; can anyone (Avani?) beat Charles/Satveer?
- 3: KP4 have advantage over SID A; very tight at the top of the individual averages
- 4: very close at the top for both team and individual
- 5: MB C in control of another tight-ish division
- 6: KP10, with good strength in depth, look to be in control here
- 7: KP15 just ahead of WW D at the top
- 8: KP16 look like favourites here although KP18 can still catch them

A final reminder that to come top of the individual averages a player must play in both sessions AND at least 50% of the team matches.

Dates for your diary (both events at LGS):

-Saturday 1 March: LJL session 4

-Saturday 15 March: LJL individual championships (for U11/13/15)

Thanks to all who helped with putting up and taking down the equipment.
